General Rules & Regulations for Exhibitors

1. Any resident of North Dakota may be an exhibitor, but no person shall be permitted to enter more than one exhibit of the same variety in any one lot.

2. All exhibits must have been grown in the State of North Dakota in 2016, except as specified by 4-H and FFA rules.

3. Entries will not be accepted after 10 AM, March 3, and judging of all classes will begin at 1 p.m. on that date.

4. Exhibitors must state on the entry blank the class, lot number and the kind and variety under which the entry is to be judged. The officials in charge of exhibits, or the judges, reserve the right to make any corrections in class or lot numbers in case of errors.

5. The Crops Show management will not be responsible for loss, damage, or mixture of any entry, but will exercise reasonable precaution at all times.

6. All samples must be properly labeled inside. Entry blanks should accompany all samples and must be signed.
Include Variety name.

7. All samples and sheaves become property of the North Dakota Winter Show, they cannot be removed without permission and will not be returned.

8. The following minimum quantities will be required for all entries in the open class, 4-H and FFA Divisions.

Two quarts ~ Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart ~ Flax, canola, grasses, small seeded legumes, millet, and seeds of similar size.

Corn ~ Ten ears.

9. Entries of less than the above minimum requirements will not be eligible for awards.

10. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed to be undesirable or not properly exhibited or represented. Hybrid seed, commercially prepared seed, treated seed, unclean or bin run seed, will be disqualified. Prizes will not be awarded to unworthy samples.

11. All exhibit entries will be judged by the group placing system. The best blue ribbon entries from the three divisions in each lot will compete for Championship Division premium money and awards. Merit ribbons will be awarded to those samples in each lot which pass high show standards but which do not receive premium money in the Championship Division.

Open Division

1. Any resident of North Dakota who does not qualify to enter in a 4-H or FFA division may enter in this division.

2. All entries must comply with General Rules and Regulations for Exhibitors.

3. Ribbons only will be issued in this division. All blue ribbon winners will advance to the Championship Division for competition for over-all show winner and premium and plaque awards.

4. The entry blank, which is on page 19, must be completed and included with the sample.

All exhibitors are eligible for a \$100 bonus drawing sponsored by Central Plains Ag. Four winners will be selected with at least two awarded to first time exhibitors.

Crop Show Honoree

The 2017 North Dakota State Crop Show is dedicated to Bruce Bachmeier of Carrington, ND. Bruce has been involved with the North Dakota Winter Show and State Crop Show for most of his life. As a youth, he exhibited numerous samples, earning many overall champions and awarded the Rutledge Kane award as top exhibitor in three different years. Bruce is a member of the State Crop Show Committee and has worked with many aspects of the show, especially encouraging youth to get involved with exhibits.

Bruce has helped provide grain for FFA and 4-H members to clean and prepare grain samples and taught local youth in FFA and 4-H the process of cleaning samples in preparation for exhibit. He has delivered samples from the Carrington drop point to the Winter Show. Bruce is a major organizer and has judged exhibits at the Carrington FFA Alumni crop show, providing exhibitors an opportunity to re-check their samples before entering in the State Crop Show.

Bruce has provided resources and helped with the North Dakota State 4-H crops judging contest and the North Dakota State FFA contest. He has also coached many teams that have participated in those contests. In addition, Bruce has judged 4-H crop exhibits at the North Dakota State Fair.

Bruce was born in Carrington and grew up on a family farm in rural Carrington area raising small grains, row crops, beef and dairy cattle. He graduated from Carrington in 1988 and Bismarck State College in 1990 with a degree in agriculture sales and service. He has been employed at Wholesale Ag Products in Carrington for 27 years.

Bruce has received the Honorary American FFA degree, ND Honorary State FFA degree, and ND FFA Distinguished Service Award. Bruce and his wife Lynelle were the 2016 Foster County NDSU Harvest Bowl honorees. He is a past president of the ND FFA Foundation Board. Bruce is currently serving as the chairman of the NDSU Carrington Research Center Advisory Council Board, president of the Carrington Ag Ed Advisory Council and is a Member of the Carrington Board of Education

Bruce and Lynelle have two daughters, Caycee and Breanna. Both of whom have developed the passion for cleaning grain as well and have been outstanding exhibitors in the State Crop Show, earning several Rutledge Kane Awards.

In his spare time, Bruce enjoys the outdoors, summer lake time, hunting, and fishing.

Join us as we honor Bruce, on Friday, March 10th, at 6:45 pm, prior to the start of the PRCA Rodeo Performance at the NDWS Event Center. For more information, contact the NDWS office, at 701-845-1401, or 1-800-437-0218.

NORTHARVEST BEAN GROWERS

In the 21st Century, Northarvest Bean Growers Association is an association of growers representing growers through the check-off system. We are North America's largest supplier of quality dry beans. We work together to better the industry through promotion, research, market development, education of consumers and monitoring of governmental policy. Our future goals must be continued market exposure and careful monitoring of new ideas, consumer choices, and producer needs.

In the Northarvest region, we grow ten major dry bean classes: Pinto, Navy, Dark Red Kidney, Light Red Kidney, Black, Great Northern, Small Red, Pink, Cranberry, and white kidney.

North Dakota is known worldwide as a source for quality wheat. This reputation was developed from a commitment of producers and researchers to focus on key functional traits demanded by customers in our wheat varieties. Generic wheat can be grown almost anywhere, and often much closer to the customer than the wheat fields of North Dakota. It is a distinction in quality that drives demand for our wheat, often at premium prices.

International and domestic customers demand clean, uniform, high protein wheat with the built-in genetic traits to provide strong gluten and high water absorption for bread and baked products, and strong gluten and bright yellow color for couscous and premium pasta products.

NEST WHEAT

Weather and management practices have a big influence on our annual wheat quality, but genetics also have an impact. North Dakota grown wheat can best meet our customer's quality demands through good management practices and planting varieties that have the genetics for quality, as well as agronomic and yield traits.

Competition for customers in the world wheat market is extremely intense, and any advantage makes a difference. Prioritizing quality in variety selection will ensure North Dakota remains the first choice for customers at the top-end of the quality spectrum in the world wheat market.

The North Dakota Wheat Commission encourages production of high quality wheat and is pleased to sponsor awards for the following wheat classes:

State 4-H and FFA Divisions

The general rules and regulations apply to 4-H and FFA entries. In addition, the following special rules apply.

FFA – Active FFA members, either in or out of school, are eligible to exhibit. FFA Chapters are also eligible to exhibit grain grown as a chapter project during the previous year.

4-H – All entries from a county must be approved by the County Extension Agent both with respect to:

A. Exhibitor – Any 4-H member in good standing for the current 4-H year.

B. A 4-H member may prepare and exhibit samples of grain grown in the past crop year.

1. All entries must be labeled to include class, lot number, kind and **variety name**.

FFA Members: Use official FFA entry tag and sheet only. Include address of member exhibiting, name and address of chapter of which exhibitor is a member, and have entry form signed by the instructor.

4-H Members: Use official entry tags which are available from your County Extension Office. All tags must be filled out completely, including name, address and county of exhibitor and have entry tag signed by the Extension Agent.

2. All entries must be in by 10 AM Friday, March 3, 2017. Mail to:

ND State Crop Show, c/o North Dakota Winter Show, 250 West Main St, Valley City, ND 58072
or if mailing after Feb. 26th, please send to:
ND State Crop Show, c/o North Dakota Winter Show, PO Box 846, Valley City, ND 58072

4-H / FFA Members: If you wish to deliver your crop samples to one of the following locations, they will be transported to Valley City by the entry deadline.

Deliver to:

Beulah High School Ag Ed. Department:
by February 25

Carrington High School Ag Ed. Department:
by March 1

3. **Samples wanted for educational purposes at the conclusion of the show, must be requested on forms available from the Winter Show office. All samples and sheaves become the property of the North Dakota Winter Show and will not be returned.**

4. Use the same Class and Lot numbers given in the Championship Division. FFA entries must use their official entry tag and identify their samples as FFA Division. Likewise, 4-H entries must identify their entries as 4-H Division.

5. All entries will be placed on a group basis – blue, red or white ribbons. A champion exhibit will be selected in each lot from the blue ribbon group for both divisions, and this sample will receive a \$10 premium in addition to the blue ribbon premium. Award money for both divisions will be paid as follows: Blue - \$5; Red - \$3; White - \$1. Entries not suited for display will be discarded.

6. Top blue ribbon winners will automatically be entered and judged in the Championship Division.

7. The following minimum quantities will be required for all entries in the FFA and 4-H Divisions. Entries of less than these minimum requirements will not be eligible for awards.

Two quarts: Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart: Flax, canola, grasses, small seeded legumes, millet and seeds of similar size.

Ear corn: Ten ears.
