Join us at the North Star Classic!
~ December 1-3, 2017 ~

Thank you to all those who have helped make this the largest cattle show in ND; we appreciate your continued support and welcome you to join us again! We are excited about a few changes for this year's event!

- * **DVAuction** will be again conducting **live internet broadcasting** of all the cattle sales on Saturday, thus giving consignors the opportunity for their cattle to be viewed and bid on by individuals from around the country!
- * The "**Fairest of Them All**", again will be in the schedule, along with a **NDSU Judging Clinic** and a **fitting clinic** by **H&H Show Supply**.
- * In addition to these events, there will be the open, junior and pen shows; and we are hoping to hold a nutritional clinic this year as well.
- * A Dinner Show will again be held this year, and will be on Saturday evening. We are looking forward to having **Williams & Ree, aka the Indian and the White Guy**, here to entertain the crowd, at the Valley City Eagles Club. Check out their website at **www.williamsandree.com**. Come join us for a fun evening!
- * This year we are recognizing **Cal Schaefer**, of Valley City, ND as our **Livestock Honoree**, for his greatly respected, knowledge and expertise in the livestock industry.
- * Make your plans now to join us at the 18th Annual North Star Classic!

For entry information, please view the forms on the NDWS website, www.northdakotawintershow.com, under the "North Star Classic" tab.

2017 NORTH STAR CLASSIC DINNER SHOW FEATURING

WILLIAMS & REE

For over three decades, Williams and Ree, the self-professed “Indian and White Guy,” have been entertaining audiences around the world with their unique and irreverent comedy and musical style.

Bruce Williams and Terry Ree have established themselves as proven headliners at fairs, festivals, arenas, and casino venues. They continuously refresh and reinvent themselves show after show, by incorporating topical and observational humor “dripped from the headlines” and have the added “wow” factor of being terrifically talented musicians and singers as well.

Numerous television, radio, and commercial appearances have cemented their relationship with their fan base, promoters, and marketing directors. The sheer longevity of this dynamic duo has allowed them to attain legendary status and point up the fact that they are truly America’s favorite comedy team!

**WILLIAMS & REE IS SATURDAY, DECEMBER 2ND, 2017
WITH DINNER AT 7:00 PM AND THE SHOW AT 8:00 PM.**

MEET THE 2017 JUDGES

Guy Laflin, of St. Ignatius, MT, will be judging the Open Show in Main Arena 2, the “Fairest of Them All” Show, and also helping in the Pen Show. He takes none of it for granted and knows all this is possible today because of hard work, determination, family unity, and a dream that is more than 100 years old. For five generations, the Laflin family has known the ranching way of life and passed down the values and respect for the land and livestock that go with it. Guy’s great-grandfather, E.B., established the Laflin Angus herd in 1900, and was one of the first breeders in the state of Nebraska. Today, the herd spreads out on the Flint Hills of Kansas and is now the second oldest registered Angus herd in the United States. Guy has done a great deal of judging in numerous states and at a National level. In addition, he has shown animals in the United States, Canada, and Argentina. Guy is looking forward to working with staff and participants at this year’s North Star Classic.

Jim Bloomberg, of Berwick, IL, will be judging the “Fairest of Them All” Show, Showmanship, and the Junior Show, in Main Arena 1. Jim has been married to his wife, Mary, for 32 years. Together they have three children, Blake, Jamie, and Jake, whom are all involved in exhibiting numerous breeds during their junior years and now are judging across the country as well. The Bloomberg family is primarily involved with raising Simmental breeding stock but also raise Herefords, Angus, and Charolais. Jim has been fortunate to have evaluated local, regional, and national shows including Denver, Kansas City, Louisville, and Houston.

Dr. Blake Bloomberg is an Assistant Professor of Applied Animal Science at Oklahoma State University. Blake and his wife, Wravenna, were married in 2009 and welcomed a daughter, Breckyn, in July 2012, and twin boys, Brenhem and Berwick, in March 2014. Blake was raised in Berwick, IL on his family’s diversified livestock operation that consisted of cattle, hogs and row crops. Dr. Bloomberg currently serves as the Livestock Judging Coach at Oklahoma State University. During his career, Blake has coached the Reserve National Champion Livestock Judging Teams in 2009, 2014 and 2015. Blake was named the 2008, 2009 and 2014 National Collegiate Coaches Association Coach of the Year. He also serves as co-coach of their Meat Animal Evaluation Team with Dr. Gretchen Mafi that were the Reserve National Champion in 2010, 2016 and 2017 and National Champion in 2011, 2014 and 2015. Blake attended Black Hawk East Jr. College and was a member of the 2004-2005 judging team that was defeated only once. He was the High Point Individual at the 2006 National Intercollegiate Livestock Judging Contest and was also a member of the 2006 National Champion

Livestock Judging Team for Texas A&M that was undefeated in competition. Blake has judged livestock shows in 42 states and 3 foreign countries including events at the American Royal, North American International Livestock Exposition, National Western Stock Show, Houston Livestock Show and Rodeo, San Antonio Livestock Show, and several regional and state events.

Hampton Cornelius is the 2nd generation cattleman and family partner from Coyote Ridge Ranch - a purebred Hereford cattle ranch in Colorado. As a youth he was active in Jr Hereford, 4-H & FFA with livestock projects and an integral part of the family ranch. He attended Northeastern Junior College and Colorado State University and was on the livestock judging teams at both schools. He won many accolades for livestock judging including the at both of these schools and was the recipient of the Tom Blackburn Award for Outstanding Member of the Livestock Judging Team.

Hampton has judged numerous national cattle shows as well as internationally. These include the 2013 National Hereford Show at the National Western Stock Show in Denver Colorado, the 2015 Expo Prado National show in Uruguay, 2017 National Hereford Show at the NAILE in Louisville KY and the 2017 ROV Angus Show at the Fort Worth Stock Show.

Since joining the family Hereford ranch in 1993, he has focused on developing Herefords suitable for commercial bull customers in the Rocky Mountain West. His focus on “balancing” highly productive, fertile cows with maintaining phenotype and carcass qualities has been the hallmark of the CRR breeding program. His most gratifying work has been raising cattle that have gone on to be breed leaders both in the United States and also used internationally – such as CRR About Time 743, CRR Violet and CRR Catapult 109.

Hampton’s cattle have been shown to Grand Champion honors at all the major Hereford shows in the United States – including the National Western Stock Show, American Royal, Hereford Junior National Expo, the Western National in Reno NV, and the Fort Worth Stock Show. Most recently his bull calves, sired by CRR Catapult, back-to-back won the prestigious Hereford Bull Pen Show at the NWSS in Denver CO in January 2016 & 2015 and the Reserve Grand Champion Hereford Bull at the Fort Worth Stock Show in Texas in February 2015.

Hampton is married to Kay Cornelius and they have a 16-year-old son – John Hampton Cornelius. Together with his mother Jane Evans Cornelius they are all partners on their family’s cattle ranch – Coyote Ridge Ranch - in Eastern Colorado.

2017 NSC JUNIOR EVENTS

Once again, there will be a number of activities for juniors at the North Star Classic! Saturday's events will begin with a NDSU Judging Clinic at 8 am in the main arena, followed by a Fitting Clinic by H&H Show Supply at 10 am. Again this year, we are hoping to hold a Nutritional Clinic which will follow the fitting clinic, at 11 am, and at Noon, the "Fairest of Them All" Show is scheduled. This show will feature overall grand champion heifers from any fair, achievement days, or ND Junior Point Show in ND, in 2017, all competing for the chance to win the "Fairest of Them All" title and a \$750 prize! More information on this show can be found online, at www.northdakotawintershow.com. The cattle sales will then be in the afternoon and evening on Saturday and showmanship will once again be that night, at 7 pm.

On Sunday, the Junior Breed Shows, the Overall Supreme Heifer Show and the Ag Country Junior Market Steer and Heifer Showdown are all scheduled, with the breed shows beginning at 8 am. This year we welcome judges, Jim Bloomberg, from Berwick, IL and Blake Bloomberg, from Stillwater, OK, to judge the Junior Shows.

Great prizes will be awarded to exhibitors of the champion heifers, in each breed class, as well as to the showmanship champions in each age division. Thank you to Ray Haugen, of Silver Creek Ranch, for once again sponsoring a portion of these prizes! All Grand Champion Heifers will advance to the Overall Junior Supreme Heifer Show, where both a Grand and Reserve Heifer will be chosen, with special thanks going to John Deere Seeding Group, for sponsoring these champion heifer premiums.

The Ag Country Junior Market Steer & Heifer Showdown is again the last event on Sunday. This show will have pay-outs given to the top four winners in each class, as well as to the top four market animals overall.

If you would like additional information on any of the junior events,
please call the NDWS office at 1-800-437-0218,
or email ndws@northdakotawintershow.com.

2017 LIVESTOCK HONOREE

Cal Schaefer, of Valley City, ND, is this year's livestock honoree. He is a fourth generation Barnes County resident living Northwest of Valley City about 20 miles on a farm purchased by his great grandfather around 1904, which they named as "The Schaefer Hill". Cal has lived in the same house his whole life, and continues to do so while working the family business on the farm. He has been involved with livestock since day one, along with farming and helping his family.

He attended Stewart School, which was a small schoolhouse, up until the 8th grade; then went on to attend Valley City High School and graduated in 1960. At the age of 21, he then started working for the North Dakota Winter Show in 1963, as part of the barn crew. He would work wherever his help was needed, from cleaning to setting up for rodeos and stage shows. He worked there for 10 years until he started his own booth during the big agricultural show held in March for Vermeer in 1973. He has sat there every year since as a vendor selling Vermeer balers, mowers, wrappers, and hay rakes. Just recently Cal was honored by the North Dakota Winter Show Board for being one of the longest-tenured vendors at the show. He first became a dealer for the Vermeer baler business in August of

1972. During this time he served for the National Guard from 1964 – 1970. One time that really stands out in his life is the blizzard of '66, he was working at the barn when it started, it was only supposed to be around 5 inches of snow; until it kept going and the wind was blowing so hard, you couldn't even walk against it. There were cattle in the barn as the Winter Show was supposed to start the next day; but was postponed a week later due to the blizzard. Cal was stuck at the barn and "lived" there for that week; all while getting whatever food he could find in the café and sleeping on the couch in the lounge. There were 40 foot drifts in some areas which meant no one could get to him and he couldn't get out, leaving his family on the farm to take care of the cows without his help.

In 1967, while cruising in his red dodge convertible down Broadway in Fargo, he met a girl, "Gerri" and a year later, they were married. Together they have two children Kyle and Kaneia, and 4 grandchildren, Austin, Eric, Tessa, and Deanna. Kyle, Austin, and Eric help Cal out as much as they can with the family-owned business, from selling equipment to booth duties. Some of Cal's many hobbies include hunting, fishing, spearfishing in the winter, and dancing. He loves to dance so much, he has already taken his wife out dancing about 100 different times this year alone! He spearfishes on any lake he can see through, with an opening of 34 – 44 inches around, big enough to throw the spear in. He recalls one year, he had his icehouse sitting from December to March and he had caught around 325 Northerns with his spear! He also started a collection of his own around 1980, when him and his family were walking along the railroad and found a date nail, or railroad ties that are dated, by the Crossing. One led to more and eventually he had a variety of date nails in which he put together by year and branded companies. The oldest year he has is from 1899. Another event he really enjoyed was when he drove 18 laps at the Las Vegas Speedway in the Nascar #24 reaching nearly 130 mph. Driving the car that fast reminded him of when he drove his Lamborghini at 128 mph! He also got to ride along with one of the Nascar drivers with them reaching speeds up to 165mph! Schaefer's family farm has donated hay and straw to the Winter Show for all of their events the last few years and continues to do so. Cal enjoys coming year after year promoting his hometown!

Join us as we recognize Cal Schaefer,
in the main arena on Friday, December 1st, at 4 pm.

Welcome to Valley City

While you are in Valley City enjoying the North Star Classic, be sure to check out the downtown shops and the Rosebud Visitor Center! Valley City is known for its numerous specialty stores and antique shops, with a great selection of holiday gifts. DEAR ANGUS ENTHUSIASTS,

We are extremely anxious to have you take time to view an exceptional Angus sale offering. Participating breeders were asked to consign some of their strongest genetics and most outstanding individuals and that is what they have done! The sale cattle will make strong additions to any program that values the hardiness and productivity of these NORTH DAKOTA and MINNESOTA bred and raised cattle. The bred heifers are close to production and will calve to some of the very top sires in the breed. Heifer calves will be some of the best available this year. If you need a show heifer prospect, you can easily make that acquisition on December 3rd at the NORTH STAR Angus Sale. Several established, progressive and noteworthy breeders will be offering you cattle that can add to your herd quality and profitability. Please contact any of them if they can be of assistance.

Consigned by: Carter Angus, Vermillion, SD

Donor Reg. #: 14784037

SIRE: BARSTOW CASH

DAM: KA BARBARAMERE 4201 (DONOR)

Barbaramere 4201 is our foundation donor by TC Freedom. She is a cow that flat out gets it done. We have taken heifers out to the Denver Foundaton Female sale where they have been crowd favorites and have been high sellers as well. As good as the females are the bulls are just as good. They sire cattle that have extra volume and muscle but put it in a photogenic package. This package of eggs is sired by Barstow Cash and his offspring and very easy to market. Foundation Frozen Genetics here!!

SIRE: SAC CONVERSATION

DAM: KA BARBARAMERE 4201 (DONOR)

These eggs are sired by SAC Conversation and to put icing on the cake we used sexed heifer semen. Conversation progeny are very attractive to evaluate. Being an added bonus that you will get heifers this is something you don't want to pass up.

A lot like her other pen mate this heifer has a great disposition. This is our first time consigning heifer to the North Star but feel we have brought two excellent prospects for you to evaluate. Braydin purchased these heifers in the spring of 2017 from Spring Valley Angus as the start of his registered herd and wants to offer these two show you what his hard work has accomplished. 1661 is Aled to Leachman Certainty on 7-19-2017 and is due on 2-1-2018. As a added bonus she sells with a heifer calf inside for a fast return on your investment. Certainty is a slam dunk calving ease bull with added carcass merit. We look forward to visiting with you at the sale about these two awesome bred heifers

Here is your chance to invest in some of the most elite genetics we have to offer. Success rate on the X06 mating includes, champion Hereford heifer at Houston livestock show and rodeo, champion heifer Western Nugget National and 3RD overall heifer Minnesota Beef expo. This mating has produced over \$120000 in revenue on 7 head. Your other choice Delhawk Truth is bound to produce high end show heifers. He himself was named champion horned Hereford bull at the 2015 NWSS, I really like this cross and am confident this will be some of Maybarrys best calves. Seller guarantees 1 pregnancy if implanted by a certified embryologist. Buyer is responsible for embryo shipment.

This heifers dam, SAV Blackcap May 1657 comes from one of the great cow families at Schaff Angus Valley and probably in the entire Angus breed. She is definitely making a name for herself. We have sold embryos to some of the most progressive breeders she is approaching \$90,000 in embryos and pregnancies sold. This is without a doubt the hottest cow family in the Angus breed. This is cow power at its best.

Her Dam is the Legendary SAV Blackcap May 4136 who has a tremendous spring by selling a son for \$650,000 his name SAV Sensation fits him to a tee. He has been admired as one of the greatest sons of 4136 to sell. SAV Pedigree sold for \$725,000 in the 2015 SAV Bull sale plus numerous others high sellers. She is also the dam to the \$110,000 SAV Resource whose calves have been sought after all spring. Also sons of 4136: \$175,000 SAV Renown, \$80,000 SAV Recharge, \$200,000 SAV Universal, \$235,000 SAV Seedstock who is a full brother to SAV Sensation, \$100,000 SAV Revolution, SAV Rocky Mountain, SAV Heritage which is the sire to the \$275,000 SAV Harvester. Plus numerous others.

SAV May 2397, the foundation 3rd dam is a maternal sister to SAV Density and SAV Providence. She is also the dam to SAV Angus Valley 1867.

The mating of the popular Plattemere Weigh Up x 1657 is one that I think will go down as one of her best daughters to date. You want to talk about a tremendous breeding piece. This heifer calf right today has future donor wrote all over her. Can't wait to see how she continues to develop. Your chance at a blackcap may from one of the most proven cow families in the angus breed.

We are offering a female that embodies the principles of our breeding program. Enamor is as good on paper as she is in the flesh. A big footed, long striding, long bodied, and big ribbed heifer that is built for the long haul. Her genetics will predict that she will be very profitable, and her physical design predicts that she will be able to do it for a long time. Being an open heifer, she offers the value of being a Juniors project. With the Junior National being in Minnesota this year it would be an opportunity worth capitalizing on. Buy with confidence. Take this female home. Get her bred. Watch her develop into one of your best cows. Please look for a photo and video on Five Star Ranch's Facebook page!

North Camp Angus is offering a flush to the bull of the buyer's choice on our maternally driven donor Malsons Phantasy 64A. This beautiful profiling Barstow Cash daughter is a structurally sound, deep ribbed female who possesses perfect udder structure. Each of her daughters born at North Camp have been retained by us because of their combination of structural integrity, maternal look, and Angus Breed character. This cow is a cornerstone of our program, and she can add value to your operation for years to come through this flush!

Terms of the flush: The buyer has the option to flush 64A to the bull of their choice. North Camp Angus will guarantee 3 pregnancies to result from the flush if the embryos are put in by a certified embryologist. Buyer pays for ALL semen and flush costs, including shipment of resulting embryos.

PICK OF THE BRED HEIFERS

Office: 701-943-2691 Troy's Cell: 701-214-0311

Vollmer Angus Ranch is proud to offer a buyers pick of our entire bred heifer pen. There are over 100 head to pick from, and they are without question one of the greatest set of bred heifers we have ever assembled. These heifers are bred to some of the best sires of the Angus breed, including Baldrige Bronc and Baldrige Compass C041. The heifers have been ultrasounded safe and are due on February 26. The majority of these heifers are sired by SAV Seedstock, SAV Residual, Brooking Commotion, JMB Grip and SAV Recharge. They are backed by the cow families that have produced one of the region's top bull sales for 40 years.

1749 has a look that's hard to beat, super feminine and a bold ribbed. Her mother has been a solid producer. Last year she had a \$12,500 "up north" daughter in our Ladies in Red sale that sold to Bryan McKay, OK. In 2015 a son was champion bull at the Sioux empire farm show and sold for \$5000. These beartooths are hard not to like! Type and kind they are all the same, sappy middled, square and sound. Couple that with an excellent spread on paper and it is a win - win.

One of our best 2017 heifers! Sired by an excellent Hometown son from the great Valerie cow that is a Dam of Distinction with a 111 WWR on '00 calves and still in our herd. Dam is a good young 3 year old with a production WWR of 105 and granddam has a 107 WWR on her calves. Great Granddam 41R was Champion at the NO Winter Show with a calf at side and is still in our herd at 12 year old. This heifer is a breed improver for 17 of 19 categories and in the top 10% of the breed or better for WW, M&G, Scrotal and REA. Valerie has what it takes to do well in the showing and should make a great cow! See video at: www.olsonredpower.com

This nicely balanced, moderate framed, shorted marked heifer is a full sister to the heifer we sold to Kasi Holm, Forbes, NO in the 2015 NSC sale. The females out of "Red Baron" are easy fleshing and have made some great production females with beautiful udders. The dam to this heifer never disappoints-always has a top notch calf.

We think you will like this one. She is one of our favorites—her mother is our donor cow and this heifer will follow her mother's footsteps. She is a dark red, short marked, nicely balanced female and heavy boned to boot. This heifer would have been our lead off Denver pen heifer if we were going. We have sold 2 maternal sisters in previous Mile High Hereford Sales' in Denver to Able Acres Herefords, IN and to the Sims Family, OK. We reserve the right to a flush on this heifer at seller's expense and buyer's convenience.

We have decided not to take any cattle to Denver this year -some of these heifers would have been in our pen and since we are not going we are offering them to you in this sale - pretty sure this soggy, smooth fronted heifer would have been part of our pen. Her mother we call "Beefy", and th is is the only heifer we have offered for sale out of her. We have several of her daughters in production and they do a great job. This heifer is dark in color, short marked, fully pigmented and as deep ribbed, big bodied as they come. Her full sister claimed many purple ribbons in her show career. We reserve the right to a flush on this heifer at seller's expense and buyer's convenience.

A nicely balanced, complete, smooth fronted heifer- another one that would have went to Denver. Her mother was in our 2014 Denver pen of heifers. We sold a full brother to this heifer to Cole Voorhees, MN last year.

This is a fancy April heifer that will be competitive if showing her and a great cow prospect thereafter. She has a beautiful front end and plenty of rib shape and balance to go with it. Her mother always brings her calf to the top at weaning - last year she weaned off the heaviest bull calf and he was our 2nd high selling bull in our bull sale.

ADDITIONAL ANIMALS MAY BE CONSIGNED BY SALE DATE.

SALE TERMS & CONDITIONS

Terms: Cash. All sales are in U.S. dollars. Each animal is to be sold to the highest bidder and all sales are final. The auctioneer shall settle any disputes between the bids.

North Star Classic reserves the right to withdraw any consignment prior to the sale. It is the consignor's responsibility to set an individual floor price with the sale managers 30 minutes prior to the sale start.

All cattle are to be paid for by the purchaser in full, during or immediately after the sale. No cattle will be allowed off the premises or can be entered in any of the North Star Classic shows if they are not previously paid for.

All persons who attend the sale do so at their own risk.

The North Star Classic, along with Conover Auction Service, are not responsible for any accidents, health problems or injury, before, during, or after the sale. In addition, they assume no liability, legal, or otherwise for any accidents that occur. Each animal is at the purchasers risk after the sale.

Transferring registration certificates must be worked out between the buyers and seller after the sale is made; arrangements will be between the two parties for transfer and payment.

All out-of-state animals entering the sale must be accompanied with health papers on the day of arrival. In-state cattle require no health papers; however, if an in-state animal is sold out-of-state, health papers must be obtained that day by the on-site veterinarian. Consignors will absorb those expenses.

All heifers are considered reproductively sound, unless otherwise stated. North Star Classic is not responsible for any reproductive failures.

Announcements made by the auctioneer, sale managers, the North Star Classic, or the consignor, concerning the cattle on sale day, take precedence over statements in this catalog.

Don't let the fact that this one's a little slicker haired shy you away from one that's really built right. What you see is what you get with this calf. True power and balance. Extremely expressive in his muscle pattern while still having plenty of look and style. He's thick quartered and stout topped with nothing to hide. Just true power and true style; it's as simple as that!
