Cattlemen & Cattlewomen,

It's North Star Classic time again! This year marks the 20th Annual show and we are excited to announce a few changes to the weekend lineup. Let me first introduce myself as one of the changes. I am Tesa Klein, the North Dakota Winter Show Manager. I am new to the North Star Classic itself but not to the NDWS. I grew up showing Registered Holsteins here at the Winter Show and in the tri-state area. I loved the fair/show life, it most definitely prepared me for the rodeo life that I now share with my husband, Kelly. We raise a few head of cattle, way too many saddle horses and bucking bulls on a farm outside of LaMoure. I own and operate Wildflowers, Inc. a home décor repurposed furniture junking business on the side. Life is busy and fortunately we both love what we do.

Another big change is that we have moved the Cattlemen's Ball & Sale up to the South Exhibit Building of the NDWS Main Event Center. We will be hosting a prime rib buffet supper, raffle drawings totaling \$6250, elite cattle & trip/merchandise auction lots, a cash bar, door prizes and a stick horse race. On behalf of the Livestock Committee I would like to thank our cattle lot consignors Lodoen Farms, Kenner Simmental, Nord Angus, Marin and Garner Eeg, Chestnutt Angus and to those that donated trips and merchandise. New to this evening will be "Country Christmas," an ag, livestock and home décor shopping experience. This will be open to the public on Saturday complete with a cocoa bar, Santa, reading nook and so much more!

Our 2019 Livestock Honoree is the late Dr. Craig Galbreath. We will recognize him on Friday, December 6th during the selection of our Supreme Heifer & Bull and later at the Cattlemen's Ball & Sale. Dr. Galbreath provided care to livestock and companion animals in the Oakes and surrounding areas for 38 years. Craig was a strong supporter of youth and the 4-H and FFA programs. He gave his time and advice to many young livestock exhibitors. Please join us in honoring Dr. Galbreath, his wife, Mary, and his family.

The weekend will be completed with multiple breed sales, judging workout, fitting clinic, junior show, commercial ag vendors, Country Christmas and Robby Vee Dinner Show at the Eagles Club on Saturday evening. Be sure to check out the full schedule on page 5.

I would like to thank all the cattlemen that have committed lots not only to the Cattlemen's Ball & Sale but also to the different breed sales on Saturday, December 7th. Please take time to look over these lots listed in the catalog. Many good cattle to choose from.

Last but not least, thank you to our show sponsors, advertisers and buyers. This event could not happen without everyone's support.

Please join us at the 20th Annual North Star Classic event!

I can't wait to meet you all!

See you in December,

Tesa Klein

Second Generation Rockabilly

Hall of Fame Rocker

Robby Vee

Robby Vee "The Prince Of Twang" was born Robert Velline named after his father Bobby Vee. He is recognized by both the American & Canadian Rockabilly Hall of Fames and in 2019 was recognized by the IRRMA for an Iowa Rock-n-Roll Hall of Fame nomination. Vee has been performing his unique style of rock-n-roll music for years on stages across the globe. Having been on tour with the legends and architects of rock-n-roll, Robby has learned from, and shared credits and stages with the best, from James Burton to Carl Perkins, Bo Diddley, Albert Lee, Little Richard, the Everly Brothers, Sir Paul McCartney, Eric Clapton, Dion, The Righteous Brothers, Buddy Holly's Crickets, Dick Clark and his 'Caravan of Stars Rock 'N' Roll Show,' Andrew Lloyd Weber & Tim Rice and his father, 60's pop rocker Bobby Vee and more.

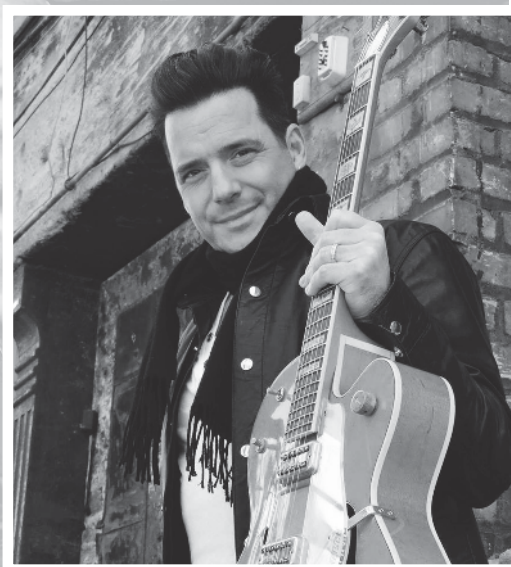

Robby is known for combining elements of his vast repertoire telling stories that bridge the generation gap from "the roots of rock-n-roll to the new sounds of Americana music of today." As an entertainer with many studio records to his name, countless guest artist credits, and a history of extensive touring, Vee has captured the attention of audiences and respected industry professionals both nationally and internationally. Claude Hall, radio-TV editor of Billboard magazine writes, "If this guy had been around during the era of Elvis, he would have given Elvis a run for his money."

Vee is currently carrying on the Vee Music Legacy touring to audiences worldwide playing fairs, festivals, theaters and casinos in support of his new release "Double Spin" with his "Rock-n-Roll Caravan Show" a celebration of the Golden Era of Rock-n-Roll featuring a cast of rockers and top collaborators who are known for keeping this special brand of music alive and rockin'! He is also an Artist Spokesperson for the Alzheimer's Foundation of America "Artist Raising a Voice For Care." Robby's Blue Moon Blue Project featuring the song "Blue Moon Blues" was written for alzheimer's awareness and is featured in his shows.

2019 ANGUS/AOB/CLUB CALF SALE

SATURDAY, DECEMBER 7, 2019 • 1:30 P.M.

Dear Angus Enthusiasts,

We are extremely anxious to have you take time to view an exceptional Angus sale offering. Participating breeders were asked to consign some of their strongest genetics and most outstanding individuals and that is what they have done! The sale cattle will make strong additions to any program that values the hardiness and productivity of these North Dakota and Minnesota bred and raised cattle.

The bred heifers are close to production and will calve to some of the very top sires in the breed. Heifer calves will be some of the best available this year. If you need a show heifer prospect, you can easily make that acquisition on December 7 at the North Star Angus Sale.

Several established, progressive and noteworthy breeders will be offering you cattle that can add to your herd quality and profitability. Please contact any of them if they can be of assistance.

This is a heifer that is long bodied, deep ribbed, very feminine and clean fronted. Her dam is a first calf two year old that has done a super job with her daughter. 962 has a quiet disposition and should make an excellent prospect for the show ring as well as the cow herd when she matures.

This heifer is plain good – she will show, and better yet, be a great productive female. Her sire “Bottom Line” was sold in Topp’s 2018 Production Sale to Wooden Shoe Farms in ID for \$25,000. This bull is one of the highest indexing EPD bulls in the Hereford breed. We have 3 heifer calves sired by him and are offering you one of them. Her maternal line goes back to the great “Jane” family that has given us so many great females.

The natural calf out of our newest cow in the donor pen, Nord's Tara, who was Champion Hereford in the Open and Junior show here at the 2018 North Star Classic. Her first progeny to hit the ground did not disappoint in this heifer calf. Super long and extended in her front third, lots of shape and smooth in her muscle pattern with tons of body and rib expansion while still being elegant when set in motion with a unique profile. Retaining the right to flush at the buyer's convenience and seller's expense.

A very good 4-year-old that gets the job done – both of her bull calves have made our Red Power sale! Dam is also a really good uddered, productive cow with a 102.4 WWR and still going at 10 years! Sheyenne worked very well giving us 2 high selling bulls and some very nice females. Serviced to OHR MDK Dakitch Deluxe Z14 80E on 5/10/19. Ultrasound confirms safe to that service – 70 days pregnant on July 24. View video at www.olsonredpower.com.

A big-bodied, stout, heavy-boned, very soft made May steer calf here with plenty of shape and look that will be an easy feeding one next summer. His dam was shown successfully back in 2016 and is also a maternal sib to BCC PSC KGB Desperado, who is beginning to make his mark on the breed. 919G has the right pieces to be very competitive in the future.
