

**83rd
Annual**

**NORTH DAKOTA STATE
CROP SHOW
2020**

March 1-7

Valley City, North Dakota

(701)-845-1401 (800)-437-0218

www.northdakotawintershow.com

General Rules & Regulations for Exhibitors

1. Any resident of North Dakota may be an exhibitor, but no person shall be permitted to enter more than one exhibit of the same variety in any one lot.

2. All exhibits must have been grown in the State of North Dakota in 2018, except as specified by 4-H and FFA rules.

3. Entries will not be accepted after 10 AM, February 28, and judging of all classes will begin at 1 p.m. on that date.

4. Exhibitors must state on the entry blank the class, lot number and the kind and variety under which the entry is to be judged. The officials in charge of exhibits, or the judges, reserve the right to make any corrections in class or lot numbers in case of errors.

5. The Crops Show management will not be responsible for loss, damage, or mixture of any entry, but will exercise reasonable precaution at all times.

6. All samples must be properly labeled inside. Entry blanks should accompany all samples and must be signed. **Include Variety name and Company name.**

7. All samples and sheaves become property of the North Dakota Winter Show, they cannot be removed without permission and will not be returned.

8. The following minimum quantities will be required for all entries in the open class, 4-H and FFA Divisions.

Two quarts ~ Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart ~ Flax, canola, grasses, small seeded legumes, millet, and seeds of similar size.

Corn ~ Ten ears.

9. Entries of less than the above minimum requirements will not be eligible for awards.

10. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed to be undesirable or not properly exhibited or represented. Hybrid seed, commercially prepared seed, treated seed, unclean or bin run seed, will be disqualified. Prizes will not be awarded to unworthy samples.

11. All exhibit entries will be judged by the group placing system. The best blue ribbon entries from the three divisions in each lot will compete for Championship Division premium money and awards. Merit ribbons will be awarded to those samples in each lot which pass high show standards but which do not receive premium money in the Championship Division.

12. Small grain sheaves should measure 2 ½ to 3 inches in diameter halfway between the butt and the head of the sheave. Sheaves should be tied firmly and securely in three to four places.

Open Division

1. Any resident of North Dakota who does not qualify to enter in a 4-H or FFA division may enter in this division.

2. All entries must comply with General Rules and Regulations for Exhibitors.

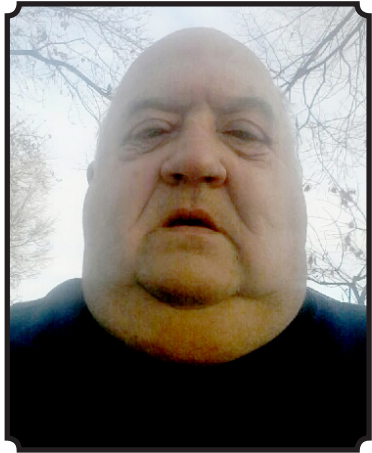

3. Ribbons only will be issued in this division. All blue ribbon winners will advance to the Championship Division for competition for over-all show winner and premium and plaque awards.

4. The entry blank, which is on page 19, must be completed and included with the sample. All info must be filled out completely.

Crop Show Honoree

Galen Briese was an Ag producer raised on a diversified livestock, dairy and small grain crop farm in Tappen, ND. He attended and graduated from Tappen Public School. Galen then went on to attend Dickinson State College and Bismarck State College graduating with an Associate of Applied Science degree.

Galen judged livestock at the North Dakota Winter Show as a 4-H and FFA member throughout the years of 1964-1970. Between 1985 and 1992, he coached Kidder County 4-H members crop show judging throughout North Dakota and at the North Dakota Winter Show having junior and senior club members winning numerous first place awards. Galen has also worked as a watershed conservationist for the Cavalier, Rolette and Towner County ND Soil Conservation Districts.

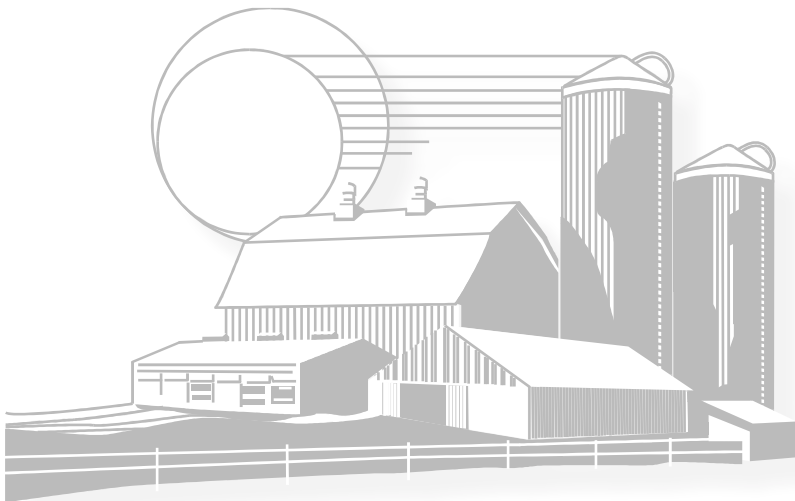

Galen Briese

In 1998, Galen started working for the North Dakota State Seed Department in Fargo, ND as a seed analyst and field seed specialist. During this time, he served on the North Dakota Winter Show Crop Committee as the ND State Seed Department's representative, judging numerous crop samples until he retired in 2018.

Galen currently resides in Erie, ND. He has two sons, Lee and William. He keeps himself busy with his many hobbies, some of which include hunting, fishing and building custom fishing rods.

Join us as we honor Galen Briese on Tuesday, March 3rd, from 4 pm - 6 pm during the Valley City Chamber Ag Social in the South Exhibit Building. Awards will start at 5 pm. For more information please contact:

NORTHARVEST BEAN GROWERS

In the 21st Century, Northarvest Bean Growers Association is an association of growers representing growers through the check-off system. We are North America's largest supplier of quality dry beans. We work together to better the industry through promotion, research, market development, education of consumers and monitoring of governmental policy. Our future goals must be continued market exposure and careful monitoring of new ideas, consumer choices, and producer needs.

In the Northarvest region, we grow ten major dry bean classes: Pinto, Navy, Dark Red Kidney, Light Red Kidney, Black, Great Northern, Small Red, Pink, Cranberry, and White kidney.

WORLD'S FIN

North Dakota is known worldwide as a source for quality wheat. This reputation was developed from a commitment of producers and researchers to focus on key functional traits demanded by customers in our wheat varieties. Generic wheat can be grown almost anywhere, and often much closer to the customer than the wheat fields of North Dakota. It is a distinction in quality that drives demand for our wheat, often at premium prices.

International and domestic customers demand clean, uniform, high protein wheat with the built-in genetic traits to provide strong gluten and high water absorption for bread and baked products, and strong gluten and bright yellow color for couscous and premium pasta products. Weather

www.ndwheat.com

NORTH DAKOTA WHEAT

and management practices have a big influence on our annual wheat quality, but genetics also have an impact. North Dakota grown wheat can best meet our customer's quality demands through good management practices and planting varieties that have the genetics for quality, as well as agronomic and yield traits.

Competition for customers in the world wheat market is extremely intense, and any advantage makes a difference. Prioritizing quality in variety selection will ensure North Dakota remains the first choice for customers at the top-end of the quality spectrum in the world wheat market.

The North Dakota Wheat Commission encourages production of high quality wheat and is pleased to sponsor awards for the following wheat classes:

Lot 1 - HARD RED SPRING WHEAT

\$100 \$75 \$40 \$20 \$10 \$10

North Dakota in Crop Production

North Dakota ranks **FIRST** in the U.S. in the production of these commodities:
(Based on 2018 Production)

1ST

Crop	Percent of total U.S. Production
Flaxseed	85%
Canola	86%
Pinto Beans	61%
Durum Wheat.....	55%
Peas.....	50%
Spring Wheat.....	51%
All Wheat.....	19%
Dry Edible Navy Beans	40%
Dry Edible Beans	29%
Oats.....	15%

In addition, North Dakota ranks first in the nation's production of **Honey** at 23%.

2ND

in these commodities:

Crop	Percent of total U.S. Production
Oil Sunflower.....	35%
All Sunflower	35%
Lentils.....	29%
Dry Edible Black Beans	29%
Non-Oil Sunflower.....	34%
Principle Cropland Planted	7%

3RD

in these commodities:

Crop	Percent of total U.S. Production
Barley	19%
Sugarbeets.....	17%

North Dakota also ranks **fifth** in Potatoes (5%), **sixth** in Safflower (4%),
ninth in Soybeans (6%) and All Hay (4%).

State 4-H and FFA Divisions

The general rules and regulations apply to 4-H and FFA entries. In addition, the following special rules apply.

FFA – Active FFA members, either in or out of school, are eligible to exhibit. FFA Chapters are also eligible to exhibit grain grown as a chapter project during the previous year.

4-H – All entries from a county must be approved by the County Extension Agent both with respect to:

A. Exhibitor – Any 4-H member in good standing for the current 4-H year.

B. A 4-H member may prepare and exhibit samples of grain grown in the past crop year.

1. All entries must be labeled to include class, lot number, kind and **variety name**.

FFA Members: Use official FFA entry tag and sheet only. Include address of member exhibiting, name and address of chapter of which exhibitor is a member, and have entry form signed by the instructor.

4-H Members: Use official entry tags which are available from your County Extension Office. All tags must be filled out completely, including name, address and county of exhibitor and have entry tag signed by the Extension Agent.

2. All entries must be in by 10 AM Friday, February 28, 2020. Mail to:

ND State Crop Show, c/o North Dakota Winter Show, 700 7th St SE • PO Box 846, Valley City, ND 58072

4-H / FFA Members: If you wish to deliver your crop samples to one of the following locations, they will be transported to Valley City by the entry deadline.

Deliver to:

North Dakota Winter Show
700 7th St SE - Valley City
by 10 am on Friday, February 28, 2020

ND FFA State Office
by 4 pm on Thursday, February 27, 2020

3. Samples wanted for educational purposes at the conclusion of the show, must be requested on forms available from the Winter Show office. All samples and sheaves become the property of the North Dakota Winter Show and will not be returned.

4. Use the same Class and Lot numbers given in

the Championship Division. FFA entries must use their official entry tag and identify their samples as FFA Division. Likewise, 4-H entries must identify their entries as 4-H Division.

5. All entries will be placed on a group basis – blue, red or white ribbons. A champion exhibit will be selected in each lot from the blue ribbon group for both divisions, and this sample will receive a \$10 premium in addition to the blue ribbon premium. Award money for both divisions will be paid as follows: Blue - \$5; Red - \$3; White - \$1. Entries not suited for display will be discarded.

6. Top blue ribbon winners will automatically be entered and judged in the Championship Division.

7. The following minimum quantities will be required for all entries in the FFA and 4-H Divisions. Entries of less than these minimum requirements will not be eligible for awards.

Two quarts: Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart: Flax, canola, grasses, small seeded legumes, millet and seeds of similar size.

Ear corn: Ten ears.

8. Small grain sheaves should measure 2 ½ to 3 inches in diameter halfway between the butt and the head of the sheave. Sheaves should be tied firmly and securely in three to four places.

A pdf of this booklet is online at
northdakotawintershow.com,
under the Winter Show/ND State
Crop Show tab.

Rutledge Kane Showmanship Award

Awarded to the individual displaying the highest quality and number of samples.

2019 Winner ~ Linda Lemer

This award is sponsored by the Rutledge Kane family in his memory. The winner is determined by the number of exhibits entered and the quality of each exhibit. The selected individual is designated as the champion showman for the North Dakota State Crop Show.

The Crop Show Honoree and Rutledge Kane Award Recipient

will both be recognized at the
Valley City Chamber Ag Social
Awards will start at 5 pm

Tuesday, March 3rd – 4-6 pm
