We are once again so excited to have you all in the barns and are looking forward to this year being a huge success! I am in my 5th season here at the ND Winter Show Event Center. It's been an eventful 5 years, and I am excited to see what the future holds for the Winter Show Event Center. As we head into North Star Classic this year, Kelcey Hoffmann & Jaci Cargo are back with us as the Event Coordinators. As always, these ladies, their families, and crew of workers, have put in tons of time and effort planning this year's Classic for you all to enjoy. I would like to personally thank the businesses, cattlemen & ranches that sponsored, advertised, and donated. There are some great packages available to purchase during the Cattlemen's Ball & Sale, get your bidding hands ready! This event could not happen without your support. This will be a great weekend for our cattle and the ag industry. I hope you all enjoy seeing old & new friends, do some shopping with our vendors and enjoy the various breed shows & sale. I hope you enjoy the Classic, making new memories and reliving past ones! We are so happy to have the barn filled with cattle and to have you all participating!

Thanks Again & See You Soon.

Brandee D. Moore
General Manager, ND Winter Show

WELCOME!

It is with great pride that we welcome you to the 26th North Star Classic at the North Dakota Winter Show Event Center. Over the years, this event has grown and evolved, yet we remain committed to the traditions established by the original NSC Livestock Committee. The North Star Classic is more than a premier cattle show—it's a place where connections are made, memories are shared, and friendships, both old and new, come together under one roof.

Many of us can look back on stories and relationships formed in this very barn that have lasted for decades. With our own long history at the Classic, we are honored to continue these meaningful traditions for the next generation.

Cattle from across North Dakota and surrounding states will begin arriving Wednesday afternoon in preparation for the Open Show, which launches the weekend on Friday, December 5th. That evening, we invite you to join us for the Honoree Social, welcoming past Livestock Honorees and their families, followed by the Cattlemen's Ball & Sale in the South Exhibit Building. Enjoy a Prime Rib Dinner, raffle drawing, and the opportunity to celebrate our 2025 Livestock Honoree, Deb Hatlewick.

This year's Cattlemen's Ball & Sale once again features outstanding offerings—embryos, flush opportunities, live lots, and unique packages designed to create lasting memories. We extend our sincere appreciation to our consignors and to everyone who generously contributed to make this an event no one will want to miss.

Saturday is action-packed with youth events, including the Fairest of Them All Show, Judging Contest, Showmanship competitions, and the Open Pen Show.

We wrap up the weekend on Sunday with the Hubbard Feeds/Showrite Junior Breeding Heifer Show and the AgCountry Prospect Show.

Throughout the show, we invite you to browse the Vendor Show, visit with exhibitors, and experience all the traditions and hospitality that make the North Star Classic special.

This event is truly a highlight of our year. Thank you to the exhibitors, sponsors, consignors, and dedicated crews who help make it all possible. We are committed to providing an unforgettable weekend and are grateful to share it with you.

Meet ya in the barns!

Jaci & Kelcey

THANK YOU.

THANK YOU. The success of this event is due to a group of volunteers that dedicate the time to find judges, secure consignors, set up and tear down the facility, and guide staff. This group steps up to the plate to have the hard conversations and to help continue that North Star Classic tradition that we all have grown to love. We thank you for your commitment, each and every year.

Deb Hatlewick

When many think of Deb Hatlewick, they think of a giver – a true livestock enthusiast and passionate youth advocate.

Deb grew up on a farm near LaMoure, North Dakota, where she developed her love for agriculture through active involvement in 4-H and showing livestock. Those early experiences sparked a lifelong commitment to youth, livestock, and production agriculture.

For many years, Deb has been an integral part of the North Dakota Angus Association, contributing her time and leadership in countless ways – from helping coordinate the North Star Classic Angus Sale to serving as an advisor to the Junior Angus Association. Her dedication has played a key role in helping the North Star Classic thrive and grow.

Together with her family, Deb operates a farming and cattle operation where hard work, integrity, and a love for livestock are a part of everyday life. She has instilled those same values in her children, involving them in all aspects of their operation and encouraging their participation in youth agriculture programs.

Beyond her own family's endeavors, Deb has served her community as a 4-H Coordinator, teacher, and advisor, always focused on helping the next generation succeed. She also organizes a local livestock show that gives area youth the opportunity to learn, compete, and grow in a positive environment.

Deb Hatlewick's unwavering support for agriculture, her leadership, and her generosity of spirit have left a lasting impact on North Dakota's livestock industry and its young people. She truly embodies what it means to give back.
