# North Dakota State Crop Show Exhibitor Guide

The 2026 North Dakota State Crop Show is on February 27th, 2026 at the North Dakota Winter Show in Valley City, ND

## General Rules and Regulations for Exhibitors

1. Any North Dakota resident may exhibit a crop sample grown in North Dakota from either the 2024 or 2025 growing season.
2. An exhibitor can only enter in one division, either the open, 4-H or FFA division. No person shall be permitted to enter more than one exhibit of the same variety in any one lot. The exhibitor must indicate the division on the official entry tag.
3. Exhibitors must state on the entry tag the class, lot number and the kind and variety/hybrid name under which the entry is to be judged. The officials in charge of exhibits, or the judges, reserve the right to make any corrections in class or lot numbers in case of errors.
4. All samples must be properly labeled with the official entry tag. A copy of the entry tag can be found in this booklet or online on the Winter Show website at: [www.northdakotawintershow.com/wintershow-cropshow](http://www.northdakotawintershow.com/wintershow-cropshow).
5. **All** samples and sheaves become the property of the North Dakota State Crop Show Committee and will not be returned. Extension Agents or FFA Advisors can request samples for educational purposes by completing a request form available from the Winter Show office. The sample request form is due **when samples are dropped off**. Samples **must** be picked up Monday following the conclusion of the Winter Show during office hours.
6. Entry deadline and sample drop-off is noon Wednesday, February 25, 2026. Judging will be on Friday, February 27th, 2026.  
If an exhibitor is unable to transport or mail a sample to the ND Crop Show, exhibitors are able to drop off samples at one of the following drop-off locations:
  - Carrington Ag Education Department, 100 3rd Ave South, Carrington, **By 6:00 pm on Tuesday, February 24, 2026**
  - North Dakota Winter Show, 700 7th St SE, Valley City, **By noon on Wednesday, February 25, 2026 (entry deadline)**
7. The North Dakota State Crop Show management will not be responsible for loss, damage, or mixture of any entry, but will exercise reasonable precaution at all times.
8. The following minimum quantities will be required for all entries for all divisions.
  - Two quarts ~ Wheat, durum, oats, barley, sunflower, rye, pea, lentil, bean and shelled corn
  - One quart ~ Flax, canola, small seeded legumes, millet, and seeds of similar size
  - Ear Corn ~ Ten ears
9. Small grain sheaves should measure 2 ½ to 3 inches in diameter halfway between the butt and the head of the sheave. Sheaves should be tied firmly and securely in three to four places.
10. Entries not meeting the minimum requirements will be disqualified.

11. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed undesirable or not properly exhibited or represented. Commercially prepared seed, treated seed, unclean or bin run seed will be disqualified.

12. The best blue-ribbon entries from all three divisions within each lot will compete for the lot Championship premium money and awards.

13. Grade premium money for FFA and 4-H divisions will be:

Blue – \$5; Red – \$3; White – \$1

14. A \$10 premium will be awarded to the 1st place blue ribbon exhibits in the 4-H, FFA and Open division per lot.

15. Championship premiums will be awarded to the top six exhibits across all divisions based on sponsorships:

- o Lot 1, Hard Red Spring Wheat: \$100, \$75, \$40, \$20, \$10, \$10

## **Crop Show Honoree**

The 2026 North Dakota State Crop Show is dedicated to Dave Maasjo.

Dave began his career as a teacher, spending five years in the classroom before returning home to farm. He actively farmed for 40 years on his operation located about 15 miles southeast of Valley City. Throughout his career, Dave has been and continues to be a strong advocate for North Dakota agriculture. From 1991 to 1998, he served as the District 7 Director for North Dakota Farmers Union, where he traveled to Washington, D.C., to advocate for North Dakota farmers on key farm policy issues.

Following his retirement from farming, Dave has continued to serve the agricultural community through volunteer involvement. He served as president of the North Dakota Winter Show Foundation prior to becoming a member of the North Dakota Winter Show Board of Directors in 1997. He served as a North Dakota Winter Show board director from 1997 through 2025. Dave has been a strong supporter of the North Dakota Crop Show, consistently attending planning meetings and providing guidance to support the continued success of the event. As a former 4-H and FFA member, Dave has enjoyed giving back by helping ensure the North Dakota Crop Show remains an event that actively engages 4-H and FFA youth.

Dave will be honored at the North Dakota Crop Show Awards Ceremony during the North Dakota Winter Show.

## The World Demands North Dakota Wheat

Anyone can grow generic wheat. But the world comes to North Dakota for the **Gold Standard.**

### More Than a Commodity

Our wheat earns premium prices because it delivers what others can't.

#### Built-In Quality

From high protein and water absorption to superior gluten strength and bright color, we provide the "built-in" quality customers crave.

#### A Global Reputation

We aren't just selling a crop; we are selling a distinction in quality that drives global demand.

The North Dakota Wheat Commission encourages production of high quality wheat and is pleased to sponsor awards for the following wheat classes:

#### **Lot 1 - Hard Red Spring Wheat**

\$100 \$75 \$40 \$20 \$10 \$10

#### **Lot 2 - Hard Red Winter Wheat**

\$100 \$75 \$40 \$20 \$10 \$10

#### **Lot 3 - Durum Wheat**

\$100 \$75 \$40 \$20 \$10 \$10

## **Quality by Design, Not Chance**

The NDWC invests in research to ensure North Dakota remains the first choice for the world's most demanding buyers.

### **Genetic Excellence**

We prioritize research into varieties that balance high-yield agronomics with the functional traits domestic and international bakers and pasta makers require.

### **The NDWC Mission**

We bridge the gap between the field and the flour mill, ensuring every bushel carries the genetic potential for success.

### **Your Competitive Advantage**

In an intense global market, quality is our greatest lever.

**Prioritize quality in your variety selection.  
Keep North Dakota at the top of the spectrum.**
