85TH Annual

CROP SHOW

FRIDAY, MARCH 4, 2022

March 9-13

Valley City, North Dakota

(701) 845-1401 (800) 437-0218

www.northdakotawintershow.com

General Rules & Regulations for Exhibitors

1. Any resident of North Dakota may be an exhibitor, but no person shall be permitted to enter more than one exhibit of the same variety in any one lot.

2. All exhibits must have been grown in the State of North Dakota in 2021, except as specified by 4-H and FFA rules.

3. Entries will not be accepted after 10 AM, March 4, and judging of all classes will begin at 1 p.m. on that date.

4. Exhibitors must state on the entry blank the class, lot number and the kind and variety under which the entry is to be judged. The officials in charge of exhibits, or the judges, reserve the right to make any corrections in class or lot numbers in case of errors.

5. The Crops Show management will not be responsible for loss, damage, or mixture of any entry, but will exercise reasonable precaution at all times.

6. All samples must be properly labeled inside. Entry blanks should accompany all samples and must be signed. **Include Variety name and Company name.**

7. All samples and sheaves become property of the North Dakota Winter Show, they cannot be removed without permission and will not be returned.

8. The following minimum quantities will be required for all entries in the open class, 4-H and FFA Divisions.

Two quarts ~ Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart ~ Flax, canola, grasses, small seeded legumes, millet, and seeds of similar size.

Corn ~ Ten ears.

9. Entries of less than the above minimum requirements will not be eligible for awards.

10. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed to be undesirable or not properly exhibited or represented. Hybrid seed, commercially prepared seed, treated seed, unclean or bin run seed, will be disqualified. Prizes will not be awarded to unworthy samples.

11. All exhibit entries will be judged by the group placing system. The best blue ribbon entries from the three divisions in each lot will compete for Championship Division premium money and awards. Merit ribbons will be awarded to those samples in each lot which pass high show standards but which do not receive premium money in the Championship Division.

12. Small grain sheaves should measure 2 ½ to 3 inches in diameter halfway between the butt and the head of the sheave. Sheaves should be tied firmly and securely in three to four places.

Open Division

1. Any resident of North Dakota who does not qualify to enter in a 4-H or FFA division may enter in this division.

2. All entries must comply with General Rules and Regulations for Exhibitors.

3. Ribbons only will be issued in this division. All blue ribbon winners will advance to the Championship Division for competition for over-all show winner and premium and plaque awards.

4. The entry blank, which is on page 19, must be completed and included with the sample. All info must be filled out completely.

State 4-H Crop Judging Contest

Each county may enter any number of 4-H members in either the junior and senior divisions. The three high individual scores will comprise the county team in each division.

1. Senior Division – 4-H members who are 14-19 on the day of the contest.*

2. Junior Division – 4-H members who are 8-13 on the day of the contest.*

3. Open division - Adults and FFA members (see guidance below)

* 4-H members who were 13 years old on September 1, of previous year may judge in either division.

General Rules

1. Contestants in the 4-H divisions must be enrolled as regular 4-H members in 4-H Online.

2. Counties may combine to form a team provided that no county has more than two participants. Individuals from three counties may combine to form a team.

3. Each division is considered a separate contest.

4. Members of past first place teams (three persons making the team score) in the 4-H senior division are not eligible as part of a team, but may enter as an individual in 4-H contest.

5. Participants must wear official 4-H dress. The 4-H Dress Code is: 4-H members must be dressed neatly and wear a solid white, yellow, gray, or green shirt with 4-H emblem on front. Failure to comply will result in the deduction of 25 points from the individual score or team score. 4-H members are asked to stay in official dress until completion of awards.

Awards

1. Awards will be distributed in the Winter Show building South stage at approximately 1:45 p.m.

2. Senior and junior 4-H division participants are eligible for the following:

a. Individual awards – ribbons for top ten individuals, and ribbons for approximately the top 50% of participants.

b. Ribbon awards for the members of second and third place teams in each division.

c. High individual in both junior and senior division and three members and alternate of the first-place teams will receive plaques sponsored by the North Dakota Crop Improvement Association.

Open Crop Judging Contest

1. Youth ages 8-18, not eligible for the 4-H contests and adults may participate in this division. Previous winners in past 4-H contests may participate.

2. FFA members planning to enter the state FFA contest may enter this open contest.

3. Competition is for individuals. However, groups of three to five may enter as a team. Pre-registration of teams is required.

Contest will be operated according to the guidelines on the North Dakota

Crop Show Honoree

The 2022 ND State Show is dedicated to Randy Grueneich, NDSU Extension Agent Barnes County, who recently retired on December 31, 2021. He has been involved with the Crops Show since he started as the Barnes County Extension Agent in 2003. Randy is a member of the Crop Show committee and works with the Barnes County Agricultural Improvement Association and the many volunteers that clean the Crop Show boxes and glass plates that are used to display the Crop Show samples. When the Crop Show display area was damaged and needed to be rebuilt, Randy designed and led the construction of the new display area. He has especially enjoyed working with the many wonderful people that make the Crop Show a state showcase for ND crops.

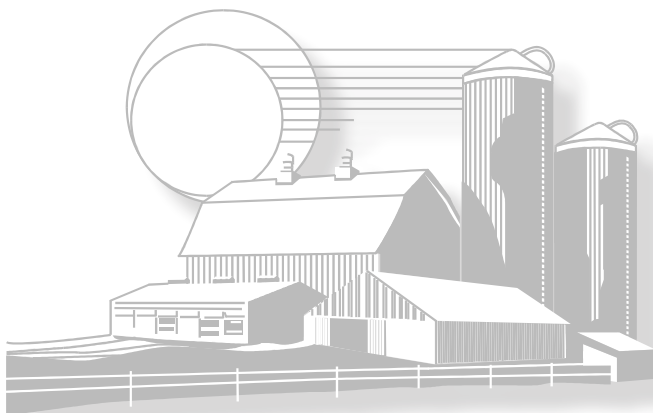

Randy was born and raised in Turtle Lake, ND and graduated from Turtle Lake/Mercer High School in 1974. He went on to receive his Bachelor of Science in Agricultural Education from NDSU in 1978. Following graduation, he farmed in a partnership with his brother Myron in the Turtle Lake area until 1990. They were both honored as ND Master Sheep producers in 1998.

His NDSU Extension Agent career started in Adams County in 1991. He then served as the Ransom County Extension Agent from 1993-2003 and the Barnes County Extension Agent from 2003 to his retirement.

He received the Distinguished Service Award for Excellence in Extension Education Programs from the National Association of County Agricultural Agents in 2014.

Randy and his wife Kathryn reside in West Fargo and are the parents of three children.

Randy will be honored at the ND Winter Show Ag Social, at the ND Winter Show south exhibit building, on Wednesday, March 9, 2022.

North Dakota is known worldwide as a source for quality wheat. This reputation was developed from a commitment of producers and researchers to focus on key functional traits demanded by customers in our wheat varieties. Generic wheat can be grown almost anywhere, and often much closer to the customer than the wheat fields of North Dakota. It is a distinction in quality that drives demand for our wheat, often at premium prices.

International and domestic customers demand clean, uniform, high protein wheat with the built-in genetic traits to provide strong gluten and high water absorption for bread and baked products, and strong gluten and bright yellow color for couscous and premium pasta products. Weather

and management practices have a big influence on our annual wheat quality, but genetics also have an impact. North Dakota grown wheat can best meet our customer's quality demands through good management practices and planting varieties that have the genetics for quality, as well as agronomic and yield traits.

Competition for customers in the world wheat market is extremely intense, and any advantage makes a difference. Prioritizing quality in variety selection will ensure North Dakota remains the first choice for customers at the top-end of the quality spectrum in the world wheat market.

The North Dakota Wheat Commission encourages production of high quality wheat and is pleased to sponsor awards for the following wheat classes:

3. **Samples wanted for educational purposes at the conclusion of the show, must be requested on forms available from the Winter Show office. All samples and sheaves become the property of the North Dakota Winter Show and will not be returned.**

4. Use the same Class and Lot numbers given in the Championship Division. FFA entries must use their official entry tag and identify their samples as FFA Division. Likewise, 4-H entries must identify their entries as 4-H Division.

5. All entries will be placed on a group basis – blue, red or white ribbons. A champion exhibit will be selected in each lot from the blue ribbon group for both divisions, and this sample will receive a \$10 premium in addition to the blue ribbon premium. Award money for both divisions will be paid as follows: Blue - \$5; Red - \$3; White - \$1. Entries not suited for display will be discarded.

6. Top blue ribbon winners will automatically be entered and judged in the Championship Division.

7. The following minimum quantities will be required for all entries in the FFA and 4-H Divisions. Entries of less than these minimum requirements will not be eligible for awards.

Two quarts: Wheat, durum, oats, barley, sunflower, rye, peas, lentils, beans and shelled corn.

One quart: Flax, canola, grasses, small seeded legumes, millet and seeds of similar size.

Ear corn: Ten ears.

8. Small grain sheaves should measure 2 ½ to 3 inches in diameter halfway between the butt and the head of the sheave. Sheaves should be tied firmly and securely in three to four places.
