NORTH STAR CLASSIC INFORMATION

Livestock Exhibitors,

It's time for the 24th Annual North Star Classic! The North Star Classic is an agriculture-oriented show that focuses primarily on the livestock sector of production agriculture. The North Star Classic began in 2000, and has now become the largest cattle show in ND. This event allows cattlemen to not only display their livestock and compete in both individual and pen shows- but it also allows the exchange of ideas, trends, and sales of several breeds. Junior shows allow the youth to be involved in the cattle industry to hone their skills of livestock showing, judging, and fitting. We invite you to join us for this incredible event!

SHOW INFORMATION

ENTRIES: WHERE & WHEN

Go to <https://showman.app> and search North Star Classic or follow the link on the North Star Classic Facebook page. All entries will be accepted online this year. Entries will open on October 30th and late fees will be applied to start November 22nd. Late entries will be accepted. Cattle must be stalled by the respective entry deadlines.

ARRIVAL & CHECK-IN:

Livestock will not be permitted to unload from trucks/trailers, nor will any stalls be assigned before 12 pm, Wednesday, November 29th. All exhibitors must check-in at the Livestock Office, located on the west end of the building, as soon as possible upon arrival. A copy of health certificates will be checked at that time. **NO DOGS ALLOWED IN THE BARN.**

STALLING & TIE-OUTS:

All cattle entered in the North Star Classic will be assigned a stall in the NDWS Event Center. Authority is given to the NSC management to stall cattle as they see fit. Bedding will be wood shavings. If desired, exhibitors may stall cattle in their trailers, but will be expected to clean up around their trailer; and they need to have their cattle in the barn between the hours of 8:30 am and 5:00 pm. All entries must stay on NDWS grounds once checked in, removal of livestock will result in disqualification. Failure of anyone to abide by the rules and regulations will result in penalization. Tie outs are bedded with straw; exhibitors may pick their own tie outs.

EXHIBITOR LIABILITY & ETHICS:

Exhibitors are required to carry their own liability insurance. Upon entering the NSC sales and shows, the exhibitor agrees to defend, indemnify and hold harmless the North Dakota Winter Show Holding Company, the North Dakota Winter Show, its directors, officers, agents and employees from any and all claims, demands, suits, actions, losses, costs or expenses, including attorney's fees arising in whole or in part out of the negligent acts, errors or omissions of you, your agents or invitees. All livestock exhibited in this show will be entirely at the owner's risk. Presentation of entry shall be deemed acceptance of these rules and the IAFE Code of Ethics.

SHOW INFORMATION

FITTING RULES & CLIPPING CHUTE:

Breed association rules apply for the open show; see your breed secretary for rules. The junior shows are all fit shows. No tents are allowed to be setup in the barn. Clipping chutes may be placed in stall or in the designated area by office staff. Chutes in the aisle must be removed immediately upon completion of the respective shows and sales.

CALL TO RING & RELEASE TIME:

Each individual will be called once to the ring for their show. If they are not in the ring after one call, they will be disqualified. We will be taking a 5 minute break at the completion of each breed. Animals will be released after their respective shows or sales.

TATTOO CHECKING & REGISTRATIONS:

NDWS reserves the right to do random tattoo checking at the stalls at ANY time. All entries must be registered, except crossbred prospect calves and commercial heifers. Animals must be registered with their respective breed in order to show in the breed show. Failure to provide proof of registration will result in showing as a commercial. Grand Commercial Heifers will be eligible to run for the Supreme or Grand Champion Heifer.

BRAND INSPECTIONS:

No person shall remove cattle from the state, or within a mile of any boundary of the state, unless the cattle have been inspected for marks and brands by an official brand inspector of the ND Stockmen's Association. A certificate of inspection, to accompany livestock to its destination, will be provided by a State Brand Inspector at the NDWS Event Center. All cattle are subject to mouthing to verify the animal age.

HEALTH REQUIREMENTS

The North Dakota Winter Show requires that all cattle meet health requirements before being permitted in the show building. All animals are subject to inspection by the show veterinarian upon arrival at the NDWS. These regulations have been verified as of October 16, 2023. Please contact the state vet at 701-328-2655 for further information and most up-to-date regulations. All cattle must be free of contagious disease and parasites, including ringworm, warts, mange, lice and pinkeye.

Sale & show cattle from North Dakota:

1. Health certificates, or Certificates of Veterinary Inspection (CVIs), are not required for show cattle if they originate in ND and return to the premises of origin. All sale cattle leaving ND need a new health certificate to leave the state; this will be provided by the veterinarian at the sale.
2. North Dakota cattle being sold to parties outside of North Dakota must meet the import requirements of the state of destination.

Sale & Show cattle from outside North Dakota:

1. Certificate of veterinary inspection (CVI) & official individual identification listed on the CVI is required on all cattle. All CVIs will need to be shown to the secretary at check-in.
2. Importation Permits are required for paper health certificates, issued by the State Board of Animal Health to the veterinarian who signs the health certificate. Importation permits are NOT required for electronic CVIs. For more information, contact the State Board of Animal Health, at 701-328-2655 or visit the website Beef Cattle | North Dakota Department of Agriculture (nd.gov).
3. All females over 12 months of age must be official calfhood vaccinates for Brucellosis unless originating from ID, IL, MI, MN, MO, MT, NE, NC, PA, SD, WI or WY.
4. Tuberculosis: For beef cattle originating from CA, MI and TX, please contact the State Board of Animal Health, at 701-328-2655, or visit the website Beef Cattle | North Dakota Department of Agriculture (nd.gov), for current TB testing requirements. For beef cattle from all other states, no testing is required. All rodeo breed cattle require a negative TB test within 12 months prior to importation. Rodeo bulls 18 months of age or older must also have a negative Brucellosis test within 12 months prior to import. Dairy cattle must have one individual TB test within 60 days prior to entering North Dakota.
5. Trichomoniasis: All non-virgin bulls and bulls over 24 months of age must test negative for trich within 60 days prior to importation. Virgin bulls less than 24 months of age do not need to be tested. A statement is needed on the CVI stating they have had no potential breeding contact. Non-virgin and non-pregnant female cattle may not be imported for breeding purposes into ND. Bulls and females entering the state for temporary exhibition may be exempt from this requirement (call the office for more information).
6. For all cattle being imported from Canada, additional testing and identification requirements are required. Please contact the Animal Health Division at 701-328-2655 for details.
